Introduction of ex-Army Medical corpse doctors into Central Health Scheme

767. DR. RATNAKAR PANDEY :
SHRI DEBA PRASAD RAY :

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state what are the reasons for not inducting ex-Army Medical Corpse doctors into Central Health Scheme, except through a fresh entrance test conducted by UPSC recruitment of fresh CHS doctors despite Government's policy to induct, ex-Army Officers in different Government Services for purposes of their resettlement?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI RAFIQUE ALAM): In keeping with the Government policy for re-settlement of ex-Army Officers in diffrnt services, the ex-Army Medical Corps Doctors are allowed age-relaxation from 3 to 10 years against prescribed age limit of 30 years for recruitment to the Central Health Service through Combined Medical Services Examination conducted by the Union Public Service Commission. Direct Induction of Ex-Army Medical doctors is not possible as the standards for selection in Army Medical Corps and the Central Health Service through Union Public Service Commission are different and the Central Health Service Rules, which are Statutory Rules do not contain any provision for direct induction of Ex-Army Medical Corps personnel in the Central Health Service.
